

# INSTALLATION INSTRUCTIONS

Part Number **33-2329**

This filter fits: **See current catalog for applications**

**\*FREE K&N DECAL** To register your warranty, please see us online at [knfilters.com/register](http://knfilters.com/register). **FREE K&N DECAL\***

**Congratulations, you have purchased the finest air filter the money can buy. With proper care, this filter will last 1 million miles or more. This filter is a direct replacement for the stock air filter, and no modifications will be required. However the following procedures MUST be followed to endure the proper fit and seal of the K&N Filtercharger®.**

1. Loosen the clamps of the air box lid. [See fig. 1]
2. Remove the air box lid and remove the stock air filter from the housing. Care should be taken to dislodge as little dirt as possible. [See fig. 2]
3. Clean the filter sealing surface and the housing.
4. Remove the adhesive backing from the gasket and install the gasket around the smaller orifice on the air box. [See fig. 3]
5. Install the K&N air filter in the air box. [See fig. 4]
6. Install the air box lid and tighten the clamps. [See fig. 5]

**NOTE: FAILURE TO FOLLOW INSTALLATION INSTRUCTIONS AND NOT USE THE PROVIDED HARDWARE MAY IMPAIR THE PERFORMANCE OF YOU FILTER AND DAMAGE YOUR ENGINE.**

**THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.**
