

# INSTALLATION INSTRUCTIONS

Part Number R-1390

**This filter fits:** SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter can last many seasons. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

## INSTALLATION

1. Install the rubber adaptor onto the air box metal flange by stretching the adaptor over the three metal tabs.
2. Install the provided hose clamp onto the K&N Filtercharger®. Do not tighten at this time.
3. Install the K&N Filtercharger® onto the rubber adaptor and press tight against the air box.
4. Tighten the hose clamp.

**THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.**
